Casanova

A New Musical by Philip Godfrey

Inspired by the actual memoirs of the legendary lover, this light-hearted new musical *Casanova* brings you snapshots of his adventurous and extraordinary life and affairs, as 11 actors and 3 musicians romp through 18th century Europe. Find out more about how Casanova bedded over 100 women from all walks of life – nuns to noblewomen – and used his charm to outwit the aristocracy with a series of scandalous schemes and ploys.
