Sell a Door Theatre Company

Are proud to present the UK Tour of...

Multi-award winning **Sell a Door Theatre Company** celebrate twenty five years of Liz Lochhead's adaptation of *Dracula*, based on the novel by Bram Stoker.

In the spring of 1893 Jonathan Harker, a young English solicitor, visits Castle Dracula in Transylvania for what he believes to be a routine deal with the nobleman Count Dracula. Harker soon realises that he is not a visitor at all, instead a prisoner to the deadly Dracula, who sets off to find Mina, Harker's fiancée, and her sister Lucy.

The more Harker investigates his confinement, the more he fears his deadly captor. Can someone stop Dracula before he unleashes his supernatural powers on his first victim?

In this tragic tale of power and redemptive love, the lines between the sane and the insane become dangerously vague.

Following recent smash hit series such as *True Blood* and the *Twilight* films, Sell a Door Theatre Company presents this youthful, sexual and thrilling tale of vampire seduction. Set against the raw script by Liz Lochhead, Sell a Door's UK tour uncovers the dark and lustful beginnings of the world's most famous vampire.

"My revenge has just begun! I spread it over centuries and time is on my side."
